PE Exam Review - Mentor Application

If you are not available to instruct a PE Exam Review course, but are interested in volunteering in another way, PEC is offering mentor opportunities as well. Students who take the review course through PEC may be interested in receiving outside assistance with questions. Please complete the following application and submit it to the PEC office with a copy of your resume attached.

Once a student has registered for a course, they will have the option to be provided a mentor. We will provide one mentor per student. The student who is assigned to you will be given the contact information you allow by checking one of the boxes below. If you are assigned to a student as a mentor, the PEC office will notify you of the student's name and contact information as well.

Please complete the following application and submit with a copy of your resume. All mentor applications should be submitted to the location noted below.

We appreciate your support!
